2012 PILATUS PC-12 NG S/N 1367

SOLD

UNIQUE FEATURES

Available for immediate delivery is this beautifully upgraded, one owner since new, Pilatus PC-12NG. This aircraft has been meticulously maintained by one of the best and largest Pilatus operators in the world. No expenses have been spared through the maintenance of this aircraft. SN1367 has always been professionally flown with two pilots and maintained at authorized Pilatus Service Centers with full and complete logs. PlaneSense aircraft are a very high end pedigree, which shows in its logs and visual representation. This aircraft has been upgraded through and through, featuring upgrades that only came on the later NG's, such as the synthetic vision and cursor for the avionics. SN1367 has also been upgraded with a top of the line GoGo L3 Wifi, Airtex, and Pratt & Whitney FAST box for engine trend monitoring.

This aircraft has a NEW -67P engine, not overhauled. No damage history. Available for immediate delivery.
