2019 PILATUS PC-24 S/N 125/N125AF
AVAILABLE FOR SALE

UNIQUE FEATURES

Professionally owned and operated PC-24 with almost every upgrade and SB completed on it. This aircraft has had the removal of the nicad batteries and installation of the Lithium-Ion batteries, removal of the coat closet and installation of the forward galley, along with many other SB's. SN125 is currently on Pilatus' Crystal Care, which includes TAP Blue and MSP. The engines were recently overhauled under the TAP Blue program. This is one of the best priced PC-24's to be offered on the market.
