2013 PILATUS PC-12 NG S/N 1391

SOLD

UNIQUE FEATURES

This recently refurbished and well upgraded Pilatus PC-12NG is available immediately. Based out of Portsmouth, NH., SN1391 is a 1 owner aircraft, owned, operated and maintained by the reputable PlaneSense organization. This aircraft has no damage history and has been very well taken care of. The aircraft has a brand new, from factory engine, which is currently on ESP Gold Lite and can be purchased by the buyer. This aircraft has also been upgraded with GoGo L3 Wifi, Airtex, and the new Pratt & Whitney FAST box for engine trend monitoring. All Maintenance has been completed to a 135 standard. The 10 year items, including the wing de-mate and other major maintenance items, have all recently been completed. This is about as turnkey of an aircraft you will find! Both the paint and interior were redone in 2022 are in great condition.
